

LOCAL INTELLIGENCE.

RECENTLY, a neat and substantial fence has been placed around the Masonic burying ground, which is on the northern side of the beautiful pass on the west side of Granite Creek.

THANKS.—Ex-Sergeant Miller and private Dorgan, two discharged soldiers, formerly of Company I, 14th U. S. Infantry, have requested us to tender their heartfelt thanks to Dr. Middleton, of Fort Whipple, for curing them of disease contracted at Camp McPherson.

VEGETABLE SPECIMENS.—Next to California, we believe Arizona to be the best agricultural country on the Pacific coast, and any unprejudiced person who will take a look at the ranches in this vicinity, and examine their products will agree with us. Here, about 7,000 feet above sea level, our farmers raise good corn, wheat, barley, and vegetables, without having to irrigate the soil once, as Nature does that for them during the summer months. The other day, Mr. A. C. Williamson, of Willow Valley, brought into our office a head of cabbage, weighing 27 pounds, and a day or two after, Mr. Banning brought in a squash which weighed 50 lbs; a lot of beans, each one of which weighed 10 lbs.

FROM LOWER LYCUS CREEK.—From Mr. Salmon Shoupe, who came in from the Excelsior Diggings early in the week, we learn that himself and partners have been at work fixing up the flumes, enlarging the ditch, etc. As soon as water comes, they will be fully prepared to pipe the reservoir is not yet completed. Mr. Shoupe is one of the early explorers of this country, having come here in the Walker party. Although well advanced in years, he has more get up about him now than many younger men, and has big faith in the "coming out" of the country, and the final overthrow of the hellish Apaches.

OUR POPULAR AND EFFICIENT COUNTY TREASURER, Wm. Cory, sometimes carries the mail from Prescott to Wickenburg and back, and when he does, he always makes fast time. Saturday last, he started from Prescott with the mail, and returned early Tuesday afternoon, with the news that the Radicals had carried Old Pennsylvania, Indiana and Nebraska, which, to say the least, is bad news for us Dems.

TWO TRAINS OF MILLER BRASS' and Charles Beach arrived here Monday last, with freight for the Sterling Mining Company, Wetmore & Co., Campbell & Buffum, and Uncle Sam. They also brought the long expected desalinating iron pipes for Fleury & Co.'s miners and mill-men of Walker's District. Chapman's train, with lumber for Wickenburg, started out Tuesday morn. The train will go to La Paz before returning to Prescott. Thomas Matthew's train of four wagons started for San Bernardino via the Hardlyville route, Monday last. But six men accompanied it, and we fear the Wallapais may "take it." It was laden with lumber for Hardlyville.

ALL ABOUT POTATOES.—A few days ago, R. E. Farrington, of Whipple Valley, on Granite Creek, presented us with a sample of 7 tons, 260 lbs of Irish potatoes raised by him, this year, on an acre and sixty rods of land, from 199 pounds of seed planted last spring. They are of the variety known as Salt Lake Moshanches, and, from the manner in which they have increased and multiplied, are thrifty Mormons. Upon inquiry, Mr. Farrington told us that in 1861, he chanced to get one potato, planted it, and, up to date, it has produced 1,000 lbs! Beat this, who can.

ORIENTAL BAKERY AND SALOON.—Last week we stated that Mr. Mooney had purchased a half interest in Edward Felt's Bakery and Saloon, on Montezuma Street, opposite the Miner's Office. Well, so he did. We will now state that, since that time, Mr. Mallard has purchased Mr. Felt's other half, and, heretofore, until further notice, Mallard & Mooney will run the establishment in a manner calculated to please their customers. Good bread, pies, cakes, etc., always on hand.

WEATHER, OR ANTELOPE HILL DIGGINGS, IN THIS COUNTY ARE FAMOUS FOR PRODUCING BIG NUGGETS OF THE YELLOW GOLD. Deputy Sheriff Taylor showed us, the other day, some beautiful specimens that were recently dug out of the old diggings.

FROM LA PAZ.—Groceries and provisions are scarce at La Paz, but a supply was looked for. The Indians were quiet. So says Mr. Gray in a letter to Mr. C. E. Rogers, of this place.

BROWNSBURG.—Mr. W. K. Ferris, of Wickenburg, who came up here last week with the mail, and who ever since has been quite ill, is recovering.

A FEW APPLES, the first we have seen in a long time, were brought here on Tuesday last, from Wickenburg, by Mr. Cory, and given to his friends. We were lucky enough to get one, which we divided among our friends.

HOOYR.—Sunday night last, at the Bookery, on Granite street, Prescott, a Mexican mauler and mauler were joined together "for better or worse," by Justice Barnard, who has failed to find a witness for his part.

LIME.—John Martin and T. H. Head have orders for 400 bushels of lime, and have just finished building a kiln in which to burn it. The lime-stone is got out of Mr. Syrett's ledge, near Saundar's Ranch, in Miller's Valley.

The mail from Wickenburg arrived here yesterday evening, but brought no California mail, for the reason that when it left Wickenburg, it had not arrived from La Paz. It was feared Indians kept it back.

MILLER BRO'S & C. W. BEACH'S TRAINS arrived from La Paz early this week, with merchandise for our merchants and supplies for the government. They loaded with lumber, shingles, etc., at the new saw mill on Willow Creek, yesterday, and started for La Paz via Wickenburg. Mr. W. S. Little left with Beach's train, on his way for his home in the States.

GEO. W. BARNARD IS now Postmaster at this place. Mr. B. has the confidence of our citizens, and will, we think, make an excellent P. M.

ARRIVALS.—Sunday last, several Americans and Mexicans arrived here from Wickenburg, in quest of work, which we presume they had no difficulty in finding.

FLORA IS scarce in Prescott.

GOOD NEWS.—Lieutenant Somerby and his gallant little company, (L. 8th Cav.) have succeeded in killing two more Indians and capturing a gun. The Lieutenant had one man wounded, a fact which we regret.

THE COMMANDER OF FORT WHIPPLE IS doing the best he can to protect the settlements. Lieutenant Wells, with Troop L, 8th Cav., started out, Thursday night, to scour the woods for Indians.

AT LAST ACCOUNTS THE STERLING MINE WAS LOOKING GOOD, AND WORK UPON THE FURNACES, ETC., WAS PROGRESSING FINELY. THE UTMOST CONFIDENCE IS PLACED IN MR. BORGER AND HIS MINE.

FELLOW CITIZENS OF YAVAPAI.—Your ears for a moment. Not for the purpose of entitling them off, but to tell into them the fact that E. J. Cook's Adobe Store is now filled with choice groceries and provisions, fashionable clothing, nice ladies' goods, glassware, crockery and everything that can possibly be required to meet your wants, and the beauty of the thing is, he avers (Mr. Cook never swears), his salesman, Geo. Reed attends to that part of the business, that he is determined to sell goods cheaper than any other trader in Prescott. Call at the Adobe, we have pretty things arranged by Mr. Reed, examine his goods, and our word for it, you cannot resist the temptation of buying something from him—he is such a nice pleasing gentleman, and so polite to ladies and gentlemen.

NOTICE TO SETTLE.—All persons indebted to Wm. Felt are requested to call, immediately, at the Oriental Saloon and Bakery, on Montezuma Street and settle accounts. In my absence the parties to whom I have sold said bakery and saloon, Moses Millard & Mooney, are authorized to receive and accept the all monies due me. W. M. FELT.

PROMPT: October 20, 1868.

WHEN YOU HEAR A MAN SAY THAT HE IS NOT AFRAID OF INDIANS, AND YET WILL NOT TRAVEL WITHOUT AN ESCORT, YOU CAN SET HIM DOWN AS A BREAD AND BUTTER WARRIOR, WHO MAKES MONEY BY SWINDLING INDIANS, AND WHITEWASHING THEIR ATROCIOS CHARACTERS. SUCH A MAN IS NO BETTER THAN AN INDIAN, AND DESERVES DEATH AT THE HANDS OF HIS BRETHREN FULLY AS MUCH AS DID WAUBA-YUMA.

THERE IS ONE THING WE DO NOT ADMIRE ABOUT MILITARY OFFICERS IN THIS TERRITORY; THAT IS THEIR KEEPING MEN AT WORK BUILDING HOUSES, ETC., WHEN THEY SHOULD BE OUT HUNTING INDIANS. IN TIME OF PEACE, PREPARE FOR WAR; IN TIME OF WAR, GO IN ON YOUR MUSCLE.

GEN. OAK IS EXPECTED HERE SOON. BETTER RATE THAN NEVER.

A FOOT.—THE MAN WHO SAYS THE APACHE-MOHAVES ARE GOOD INDIANS.
